We are required to deliver this Information Statement to holders of our Common Stock in order to provide notice that certain holders of a majority of the voting power of our outstanding Common Stock, without holding a meeting of stockholders at which all Company stockholders would be entitled to vote, have provided written consent to certain actions that would normally require such a meeting.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

Information Concerning the Action by Written Consent

This Information Statement is being mailed on or about July 12, 2021 to the holders of record at the close of business on June 22, 2021 of shares of common stock, par value \$0.001 per share (the "Common Stock"), of NEXGEL, Inc., a Delaware corporation (the "Company", "we", "us" or "our") pursuant to Rule 14c-2 of the Securities Exchange Act of 1934 (the "Exchange Act", as amended, and pursuant to Section 228(a) of the Delaware General Corporation Law ("DGCL"). The purpose of this Information Statement is to inform our stockholders that by written consent without a meeting the holders of a majority of our Common Stock have approved an amendment to our Amended and Restated Certificate of Incorporation which will decrease the number of authorized shares of Common Stock from 3,000,000,000 shares of Common Stock to 750,000,000 shares of Common Stock (the "Decreased Authorized Shares Amendment").

The written consent of the stockholders holding a majority of the voting power of the Company are sufficient to approve the foregoing Decreased Authorized Shares

Amendment. Therefore, no proxies or consents were, or are, being solicited in connection with the amendments.

The proposed Certificate of Amendment for the Decreased Authorized Shares Amendment, attached hereto as **Appendix A**, will become effective when it has been accepted for filing by the Secretary of State of the State of Delaware. Such filing will not be effective for at least twenty (20) days after the Definitive Information Statement is filed with the Securities and Exchange Commission (the "SEC") and first sent or given to our stockholders.

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO DECREASE AUTHORIZED SHARES OF COMMON STOCK TO 750,000,000

Our Amended and Restated Certificate of Incorporation currently authorize the Company to issue 3,005,000,000 shares of all classes of capital stock consisting of 3,000,000,000 shares of Common Stock, \$0.001 par value, and 5,000,000 shares of preferred stock, \$0.001 par value. As of the record date, 104,277,112 shares of Common Stock are outstanding and no shares of preferred stock are outstanding.

The Decreased Authorized Shares Amendment will reduce the total number of shares of Common Stock that the Company is authorized to issue from 3,000,000,000 to 750,000,000. The Decreased Authorized Shares Amendment will not have any effect on the rights of existing stockholders and the par value per share of Common Stock will remain \$0.001. The Decreased Authorized Shares Amendment will not change the number of authorized shares of preferred stock.

The Certificate of Amendment provides that paragraph A of Article IV is deleted in its entirety and replaced with the following:

"The total number of shares of all classes of stock which the Corporation shall have authority to issue is 755,000,000, consisting of 750,000,000 shares of Common Stock, \$0.001 par value per share (the "Common Stock"), and 5,000,000 shares of Preferred Stock, \$0.001 par value per share (the "Preferred Stock")."

The Decreased Authorized Shares Amendment is anticipated to decrease the amount of annual franchise taxes that the Company is required to pay to the State of Delaware. An additional purpose of the Decreased Authorized Shares Amendment is to reduce the total number of shares that we are authorized to issue so that we do not have what some stockholders might view as an unreasonably high number of authorized shares of Common Stock that are unissued or reserved for issuance.

The proposed Certificate of Amendment will become effective when it has been accepted for filing by the Secretary of State of the State of Delaware, which we expect to accomplish as soon as possible.

Reasons for the Decreased Authorized Shares Amendment

The Decreased Authorized Shares Amendment is anticipated to decrease the amount of annual franchise taxes that the Company is required to pay to the State of Delaware. An additional purpose of the Decreased Authorized Shares Amendment is to reduce the total number of shares that we are authorized to issue so that we do not have what some stockholders might view as an unreasonably high number of authorized shares of Common Stock that are unissued or reserved for issuance.

Effects of the Decreased Authorized Shares Amendment; Risks Associated with the Decreased Authorized Shares Amendment

The Decreased Authorized Shares Amendment will reduce the total number of shares of Common Stock that we are authorized to issue from 3,000,000,000 to 750,000,000. The Decreased Authorized Shares Amendment will not have any effect on the rights of existing stockholders and the par value per share of Common Stock will remain \$0.001. The Decreased Authorized Shares Amendment will not have any impact on the total number of shares of preferred stock that the Company is authorized to issue, which will remain at 5,000,000 shares.

The decrease in the number of authorized shares of Common Stock would result in fewer shares of authorized but unissued Common Stock being available for future issuance for various purposes, including raising capital or making acquisitions. However, we currently expect that the amount of authorized but unissued shares of Common Stock available for future issuances following the Decreased Authorized Shares Amendment will be sufficient for our future needs.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information about beneficial ownership of our Common Stock as of June 22, 2021, the record date, by (i) each stockholder that has indicated in public filings that the stockholder beneficially owns more than five percent of the Common Stock, (ii) each of the Company's directors and named officers and (iii) all directors and officers as a group.
